

This is a high-level guide on how to submit a Pre-Consultation Request using the ePLAN Portal. Detailed instructions on using the ePLAN Portal and Digital Review Software can be found in our Applicant Handbook.

WHEN IS A PRE-APPLICATION CONSULTATION REQUEST REQUIRED?

<u>Pre-Application Consultation By-law 2023-107</u>, as amended, (also Section 10.6 of the City's Official Plan) makes it compulsory for applicants to consult with City staff before submitting the following development application types:

- Official Plan Amendment;
- Zoning By-law Amendment;
- Plan of Subdivision approval, including a plan of condominium; and
- Site Plan Control approval, including an application to amend an existing Site Plan Approval;

The Pre-Application Consultation (PRCN) process allows the applicant to present the development proposal to City staff and gives City staff the opportunity to:

- Clarify the application process;
- Provide preliminary comments and identify issues;
- Meet and/or consult with external agencies like York Region, TRCA (Toronto Regional Conservation Authority),
 etc.:
- Determine what drawings, documents, and technical studies are required; and
- Identify any additional supporting information/materials that must be submitted with the development application in order to be considered a **complete application** under the *Planning Act*.

PRE-APPLICATION CONSULTATION MEETING EXEMPTION:

In the event the Development Manager exempts a proposal from a pre-application consultation meeting, a checklist will be provided to the applicant setting out minimum and supplementary submission requirements that must be included when the complete development application is made.

The following applications <u>do not</u> require formal Pre-Application Consultation process; however, you are welcome to contact the Development Manager with any questions before you apply:

- Consent
- Minor Variance
- Exemption from Part Lot Control and Deeming By-Law
- Redline Revision, Extension of Draft Plan of Subdivision, and Subdivision Agreement

For applications for Consent to Sever Property and Minor Variance applications, please contact the Secretary-Treasurer for the Committee of Adjustment (905.475.4721 or coa@markham.ca).
